

Owner Priority Notice

Guest preparation authority and timing rules

AUTHORITY

The latest authenticated Owner message overrides the older Guest arrival Calendar event.

PREPARATION RULE

Use the preparation lead stated in the authorized Owner message to derive the new preparation time from the revised arrival time.

REQUIRED CLEANUP

When the Owner update supersedes the old plan, cancel the existing guest preparation workflow associated with the older arrival.

REPLY

Report the old preparation and arrival timing and the new preparation and arrival timing to the Owner.
